

Hello Matt,

I want to begin by saying, "I hope that you and your family are in the best of health".

I want to thank you from the bottom of my heart for all that you have done for Erik, myself and our daughter. I know that the ramifications of this case were not easy and that you devoted yourself to this case to the fullest of your ability.

I thank you and your "team" (Mike and Greg) for countless hours of hard work. I am appreciative of that. I also thank you for listening.

I am not sure where we would be at this point if it were not for you. This crisis could have cost my marriage a lifetime. But with the dedication that you expressed, it will only be a matter of time until my other half is home again. And my daughter will feel complete.

Matthew, you are a good person, I want you to know that. We are both glad that we had the opportunity to have you in our lives. Good hearted, caring people are very hard to come across in this day and age.

Please take good care of yourself and your family.
May God Bless You!

Always,
